## 2012-20003 Lionic Application Guard can block Dropbox (Mobile and PC platform)

### 1. Product

Lionic Application Guard Signature Database

### 2. Description

Dropbox is a free service that lets you bring all your photos, docs, and videos anywhere. Any file you save to your Dropbox will also automatically save to all your computers, phones, and even the Dropbox website. This means that you can start working on your computer at school or the office, and finish on your home computer, your iPhone and iPad and even the Dropbox website! With the Dropbox, you can take everything that matters to you on the go.

Features:

- Always have your stuff with you, no matter where you are.
- Add files to "Favorites" for fast, offline viewing.
- Easily save photos and videos to your Dropbox.
- Share your photos and docs with family and friends.
- Save email attachments straight to your Dropbox.
